****STRING MACHINE v FREE FALL AVERAGES****

Following a decision by the BTBA Executive, Free Fall and String averages will both be accepted without differentiation for all handicap tournaments as from 1st August 2018. BTBA members will therefore have the opportunity of competing in tournaments on both String and Free Fall. Over 20% of all lanes in the UK are set to become String by the end of 2019. They will be subject to the usual lane certification process.
