## **INSPECTION FEES**

**Inspection fee. - Normally £16.00 per Lane**

**Minimum Charge is £60**

**Travelling expenses – Mileage at 35p per mile, plus any fees for car parking / tolls / ferries etc.**

Invoices will be issued on completion of the inspection, payable within 30 days from invoice date.

Certificates and copies of inspection results will be sent upon receipt of payment.

Inspections will be carried out asap after receipt of this completed form.

Lane Inspection certificates will be dated from the anniversary date unless otherwise agreed due to resurface or other significant remedial type work which delays the inspection.

Appointments for inspections will be made in advance. A duly authorised person is required to provide the inspector with all relevant H&S issues prior to the inspection being carried out. Ideally the lanes should be stripped of oil but this can be discussed with the inspector prior to the inspection.
