2. The tournament is open to members of the B.T.B.A. "**Proof of membership will be checked by reference to the members list at [btba.org.uk](http://btba.org.uk)**". Non-members will be charged £2 and will not be eligible for B.T.B.A. services. **Youth entries** – both bowlers must be under 22 on 7<sup>th</sup> August 2020.
3. You will play 3 games of doubles. The tournament will allow multiple re-entries, subject to lane availability. A maximum of 22 teams per squad on a first come, first entered basis. Waiting lists for each squad shall be kept and teams will be called in order as listed.
4. Where lane availability is limited, priority shall be given to entrants who pay their fees in advance.
5. A provisional ball must be rolled if a dispute relating to pinfall cannot be resolved immediately.
6. Protests must be made verbally at the time and confirmed in writing to the Tournament Manager within 72 hours of the game in which the infraction occurred.
7. The Tournament Director (Brenda Teece) reserves the right to reject or re-rate any entry and their decision on all matters shall be final, subject to appeal to the B.T.B.A.
8. All bowlers must register at least 15 minutes prior to the scheduled squad time.
9. Team handicaps, where applicable, will be based on 66.6% of the difference between the combined team entering average and 420. There will be NO maximum team handicap.
10. Averages will be taken from re-entry doubles tournaments(2018 onwards) if 18+ games have been played. If less than 18 games then highest attained league/tournament average to date. If no current average, then average will be worked off of the 1<sup>st</sup> 3 games. Averages of all entrants qualifying for prizes will be verified before pay-out of prizes are made.
11. **NO DENIM, VESTS OR BASEBALL CAPS** to be worn.
12. To enter the handicap division the combined team average must be less than 380. Any combined team averages equalling 380 or higher will automatically be entered into the scratch division. If there is cause to adjust entering

averages due to an incorrect declaration and the adjustment raises the team average above 379, that team entry shall be entered into the scratch division. If any team with less than 380 total entering average wishes to enter the scratch division; they can declare this before the squad commences. This must be done for every squad they wish to enter the scratch division - if not declared they will be entered into the handicap division. **Youth division is handicap only.**

13. In the event of a tie for any position the higher place will be awarded to the team with the highest last game (including handicap where applicable). Should there still be a tie then the 2<sup>nd</sup> game will be used.
14. All prize fund monies shall be returned in full. A team consisting of the same two bowlers can only cash once in the prize list for each division.

### **\*\*STRING MACHINE v FREE FALL AVERAGES\*\***

*Following a decision by the BTBA Executive, Free Fall and String averages will both be accepted without differentiation for all handicap tournaments as from 1st August 2018. BTBA members will therefore have the opportunity of competing in tournaments on both String and Free Fall. Over 20% of all lanes in the UK are set to become String by the end of 2019. They will be subject to the usual lane certification process.*
