- i) County or Area Associations of the BTBA and Affiliated Associations.
 - ii) Counties forming part of any Area Association of the BTBA.
 - iii) In the Adult tournament only an RAF team formed from serving Royal Air Force personnel.

Note A county association may exist and enter these championships even if there is no bowling centre within that County.

Note - For the sake of clarity within these rules, from here on the word County in association with the Adult tournament is assumed to include the RAF in all eligible tournaments

- b) The following qualifications are required for County representation:
- i) The individual must be a current member in good standing with the BTBA or Affiliated Association.
 - ii) The individual must be eligible to hold a British Passport or have lived continuously in the UK for at least 5 years.
 - iii) The individual must have been born within the boundaries of their County, or

RAF Team only: RAF personnel must be serving personnel, stationed in the UK at the time of the RAF selection tournament and not currently registered for another County.

- c) County Eligibility will be determined by Post code as determined using this [tool](#). This gives you access to download the excel spreadsheet. You will need to enable editing before it can be used. Bowlers with eligibility via the previous county borders of 1961, will continue with reserved rights
- d) All applications for change of registration must be lodged for a period of one year before becoming effective. The one-year waiting period shall commence for unregistered players from

the date of receipt of written notification, for registered players from the end of the final in the year of application.

- i) Until their new qualification takes effect, these individuals will continue to be eligible to play for their previous County.
 - ii) No individual may play for different Counties in successive years without first having given one year's notice of intent to the relevant Inter County Secretary who in turn will notify the BTBA Head Office.
 - iii) Individuals who fail to notify the Inter County Secretary of their intent to change Counties may if they desire, but not necessarily: After one complete year (during which time their name must not be registered for any County) they are then at liberty to register for a new County, provided they meet the criteria of Rule 3b.
 - iv) RAF 'County' registered players leaving the Service must advise the Adult Inter-County Secretary in accordance with eligibility rule d above of the county to which they wish to become affiliated to either by birth or residence in accordance with the eligibility rules above.
- e) Orphan Bowlers
- i) If a bowler lives and was born in a County that has no local association, then if they bowl in a league in another area, they can declare to the ICC secretary that they wish to participate for that County. If either their County of residence or birth form an accepted County association this temporary attachment will be rescinded. ii) Bowlers who live or were born in a County with an association who cannot raise a team to play then this is unfortunate, but the bowler will be unable to play.
