Tournament Format

Bowlers must be aged 50 by 31st December 2022.

The tournament will have separate ladies' and men's sections, with scratch and age-bonus divisions in each section.

Age bonus will be calculated by the difference between their age on 31st December 2022 and 50 (50 -> 0, 51 ->1, without limit)

Bowlers may enter either one or both divisions.

There will be separate prize funds for each section in each division. Bowlers may cash in all divisions they have entered.

The tournament will be played on a Kegel Challenge lane pattern, which will be announced by the tournament manager at least 1 week before the commencement of the tournament.

Qualification

Qualification will be a 5-game block, moving lanes after each game. The total pinfall will count towards the ranking in the division(s) that the bowler has entered.

Bowlers may attempt to improve their standing by playing a re-entry block. Only 1 re-entry will be allowed per bowler. If two divisions were originally entered, the re-entry can be for one or both of the divisions already played.

If the first entry is for the Sunday morning squad (D), a re-entry requested for the lunchtime squad (E) will only be confirmed 2 weeks before the event, subject to available space.

Re-entries cannot be for a division not already played.

Final

1/3 of the entrants in each division will proceed to the final round, subject to a maximum of 28 bowlers from all 4 divisions. In all circumstances, the breakdown of bowlers in the final will reflect the ratios of bowlers in each section and division.

All bowlers qualifying for the final round will cash.

50% (rounded down) of the pinfall from qualification will be carried forward to the final round.

The final round will be a 4-game block, moving lanes after each game.

Final standings will be based on the total of the 4-game final block, added to 50% of the best qualifying block for each division they have entered.

General

The tournament is open to BTBA & any other national association members who are in good standing. Non-members will be permitted to play upon payment of a day membership to the local association of £10.

Bowlers must register for their squad at least 30 minutes before the start time.

In the event of a tie for position at any stage of the tournament, the highest last game will determine the higher ranked bowler.

A provisional ball will be rolled if any dispute cannot be quickly resolved.

Protests must be lodged with the Tournament Manager within 30 minutes of the infraction and confirmed in writing within 72 hours.

Consumption of alcohol during play is not permitted.

Use of cigarettes, including e-devices, is not permitted in the bowl.

Bowlers will not be permitted to wear denim. Tailored shorts will be permitted at the discretion of the tournament manager.

Entry is only through the online entry system, which can be reached through the Facebook Event [Stroud Senior Singles 2022](#) or the [tournament website](#).

Information will be updated on the dedicated Facebook page for the event, including allocated squad lists, and prize funds.

A waiting list will be maintained for each squad should the available entries be exceeded.

No payment is required at time of entry. Full payment (including re-entries) should be paid between 2 and 4 weeks before the start of the tournament to confirm their squads. Bowlers will be emailed payment details when they are due.

Entries which are not fully paid by 2 weeks before the tournament start will be moved below those fully paid, potentially onto a waiting list.

Entries and re-entries will be accepted on the day, subject to available space.

If entries are not taken up, or a bowler wishes to cancel a re-entry, that space will be allocated to the next bowler on the waiting list.

The tournament managers are Tony Brown (pre-event), and Dave Steiner.
