

WHY ARE PHYSIQUE AT THERAPY EXPO?

The event is a great opportunity to meet visitors face to face in one location. It's a fantastic way to show you the latest healthcare products, so therapists from all settings can see how they will enhance their treatments and of course you can ask any questions.

WHAT WILL YOU FIND AT THE PHYSIQUE PAVILION?

In 2022 some of our long term brand partners join us again with a selection of new and exciting therapy and wellbeing essentials. So if you have any product queries, we have the experts at hand.

WHAT'S ON AT THE PHYSIQUE PAVILION?

Throughout the show you'll find professional therapists demonstrating therapy techniques.

These include taping and strapping demos, percussive massage experience where visitors can get a free massage, manual therapy techniques... plus much more.

WHAT ABOUT SHOW OFFERS?

We'll have plenty of show offers and added value promotions at the Physique Pavilion, so as always visitors can get some great deals..

DEMO ZONES
