A warm welcome from Terry Fawdington.

These are exciting times for those of us who are involved in the sport of Tenpin Bowling.

The Commonwealth Games being held in Kuala Lumpur in September will see tenpin bowling promoted as a full medal sport for the first time and BRUNSWICK BOWLING will be playing an important part in supporting the players who have been selected to represent our country.

Closer to home there is a huge number of dedicated bowlers who turn out each week, sometimes several times a week, to bowl in their local leagues.

This commitment of time and money on your part is matched by BRUNSWICK BOWLINGS' commitment to place the finest quality product in your hands to enable you to perform with confidence.

Our range of Zone reactive balls is probably the most popular line in the bowling world at the moment and has been joined by the Target Zone polyester ball to complement your match winning arsenal.

Last year saw the introduction of the revolutionary Quantum Helix ball from Brunswick Technology Ventures, the first ball in the universe to roll on two complementary cover stocks.

We are sure that the combination of BRUNSWICK'S technological expertise and your skill on the lanes will guarantee an exciting weekend of bowling and we hope you all have a great time.

Good Luck

Terry Fawdington

Managing Director, Brunswick Bowling.

VIMTO SPONSOR

TEAM ENGLAND

The Commonwealth Games has always been known as the 'Friendly Games' (remember the closing ceremony fun and frolics) and, for the first time ever they have a friendly major sponsor to go with the title.

J.N. NICHOLLS plc, the manufacturer of Vimto soft drink are the Official Sponsors of the Commonwealth Games Council for England (CGCE). Through that sponsorship Vimto will be providing valuable support for Team England's international Tenpin Bowling team.

This is not the first time that the CGCE has ever had such a major commercial sponsor and CGCE Ann Hogbin said "Vimto's financial support is vital in allowing us to send a well prepared team to Malaysia in September."

Vimto is promoted as a fun drink for all of the family, just as Tenpin Bowling can be played by all the generations of a family, from 5 to 85, and this link will help to position the brand as a powerful player in the international soft drinks market

Team England will be taking on the star bowlers from Australia, Canada, Malaysia and the rest of the Commonwealth, with every expectation of bringing home a haul of medals. They will be competing in five disciplines, mixed doubles, ladies and mens doubles, and ladies and mens singles, and Vimto's sponsorship will provide direct benefit to our team of Richard Hood, Wayne Greenall, Pauline Buck and Gemma Burden.

One of the major sponsorship linked initiatives will be the "Vimto Masterclass" which aims to help sport at the grass root level. CG athletes, from a range of participating sports will be visiting 125 schools nation-wide offering coaching of the highest standard to youngsters just starting out on their sporting careers. It is hoped that over 125,000 schoolchildren will benefit from the programme.

England will be sending over 350 athletes to Kuala Lumpur, competing in 13 of the 15 sports. Tenpin Bowling, like many other team sports, has been included in the Commonwealth Games for the first time, and is one of the 15 sports that will be swelling the number of athletes in Malaysia to over 6,000 from 60 different countries.

A welcome message from
Mrs Pat White
BTBA Chairman

As always, on behalf of the BTBA National Council I am pleased to welcome all participants and their supporters to the 37th National Championships.

I am personally more than happy to be returning to Sunderland where we can always be certain of a warm northern welcome and there is no doubt that the Centre staff will do everything possible to ensure everyone concerned with the tournament enjoys their stay.

The forthcoming Commonwealth Games being held during September in Malaysia will be the first time that our Sport has ever been included and I know everyone would wish to join me in taking every opportunity in wishing our athletes every possible success. Pauline Buck, Gemma Burden, Richard Hood and Wayne Greenall will undoubtedly be excellent ambassadors for Tenpin Bowling and our thoughts will accompany them throughout pre Games events as well as when they reach Kuala Lumpur, we wish them the very best of luck.

I am sure that the 37th Nationals, like its predecessors will be a time for renewing of old, and forming new acquaintances and I hope everyone enjoys a memorable stay in Sunderland.

The very best of bowling is wished to each and every competitor.

Welcome to the
37th BTBA NATIONAL CHAMPIONSHIPS
from
the
TOURNAMENT MANAGER

It is many years since the Nationals moved as far north as Sunderland and I am delighted that the entry has exceeded my expectations. I would like to take this opportunity to welcome all participants but, especially those who have travelled long distances and thank them for their support. I have no doubt that the welcome offered by the Sunderland Bowl will ensure that any tiresome journeys will soon be forgotten and a good weekend enjoyed by all.
