*A warm welcome to the
42nd BTBA NATIONAL CHAMPIONSHIPS*

As this year takes shape, the one thing we know is that in our bowling world there is a great deal of good positive news.

In Kettering we have been through a period of change and have taken the opportunity to refine our service to enable us to offer a larger range of top quality products than ever before. Balls designed to deliver the latest cover stock and core technology to your fingertips, to help lift your game and give you the winners edge.

A huge range of accessories, new bags, new shoes and no less than six new balls are being introduced over the next few months to compliment the well established lines currently carried.

Our investment in the Tenpin Bowling industry is a sign of our commitment to our customers and it is our pleasure to continue to support the BTBA National Championships as well as Brunswick Team England. I have no doubt that the participants in the former will enjoy taking part in this prestigious event and, would like to take the opportunity to wish the latter an exceptionally successful World Championships. All at Bowling International will be watching their progress in Malaysia and wishing them well.

A Message of Welcome
from

Pat White

Chairman
British Tenpin Bowling Association

Welcoming all participants and their supporters to a National Championships is always a pleasure and this year we are happy to return to Nottingham, where we will undoubtedly enjoy warm hospitality.

The Nationals provide an opportunity for me to meet members whom I would not otherwise have the chance to speak with face to face and, this alone, is something which I truly appreciate.

I know many friendships have been formed at this annual event now in its 42nd year and hope bonds continue to be formed giving strength to the Sport of which we are all so committed.

My good wishes to all for a successful, enjoyable and memorable tournament and, very grateful thanks to Bowling International, Kettering for their continued support.

The power to eclipse everything under the sun.

INFERNO

Introducing the Inferno™ – featuring
the revolutionary Activator™ coverstock.

Inferno's new Activator coverstock eclipses the performance of everything that has come before it. Combining an Ultra-Low RG core with the Activator Advanced Reactive coverstock gives the Inferno strong mid-lane recovery that features improved traction in the oil and a smoother, more effective reaction to the dry. Inferno's continuous downlane driving force has the power to bite through carry-down without breaking loose and delivers aggressive hooking action from the breakpoint through the pins. For the power to play, it's time for the Inferno.

ELIMINATOR

No Survivors.

The new Fuze™ Eliminator™ from Brunswick provides performance and control by combining a Low-Load Proactive® coverstock with a Geometrically-Balanced Low-RG core system. This dynamic combination provides an excellent read of the oil pattern without under reacting in the wet or over reacting in the dry. With the Eliminator, you'll discover more traction in the oil and smoother more continuous recovery from the dry. The Eliminator offers the versatility and forgiveness bowlers need to guarantee there are no survivors.

If you're tired of leaving survivors behind, it's time for the Fuze Eliminator.
