A message of welcome from

*Pat White*

Chairman  
British Tenpin Bowling Association

On behalf of the National Council I am delighted to welcome all participants and their supporters to the 2005 National Championships in Coventry.

I would like to take this opportunity to thank our hosts for their hospitality and feel sure that the Coventry Megabowl will maintain the high standard we have experienced when taking the Nationals to Chelmsford and Chester where we enjoyed such successful events.

May I also thank Brunswick and Bowling International for their support. The brochure is a vital part of the Nationals and an important memento, particularly for those who are amassing quite a collection and, the assistance given to Team England has, without question, played a huge role in their success on the international scene. A simple 'thank you' might appear inadequate but, it could not be more sincerely meant.

Finally I must thank the A Team for the time and effort they give this event each year and, remind them how very much they are appreciated.

I wish everyone a successful weekend full of happy memories.

from

*Bernie White*

TOURNAMENT MANAGER

I am pleased to welcome all to the 44th National Championships. It is a real pleasure to see familiar faces and meet new participants, together with their supporters.

I have no doubt that the A Team will work with the Coventry Megabowl staff to do their utmost to provide you with an enjoyable, and successful tournament.

Good luck and good bowling to all

# ABSOLUTE POWER.

Brunswick Absolute Inferno™

Think you can handle absolute power? Find out with the new Absolute Inferno from Brunswick. By combining the red-hot performance of the Ultra-Low RG core from the original Inferno with the aggressiveness of a rough-buff, pearlized Activator®+ coverstock, the Absolute Inferno sets a new standard for traction that leaves other balls behind. For improved hook potential, a more angular breakpoint, and better mid-lane recovery and forgiveness, there's only one absolute you can count on – Absolute Inferno.

# PUNISHER

## BRUNSWICK VALUE PERFORMANCE

New from Brunswick for 2005

The experience, control, and value of the Brunswick Value Performance series (BVP) continues with the Punisher. The new N'Control PowerBoost coverstock creates a medium hook potential ball with excellent length and superior down lane recovery. Designed for medium-dry to medium-oily lane conditions, Punisher will keep you lined-up when more aggressive balls are hooking too early.
