2006 BTBA NATIONAL CHAMPIONSHIPS

**A very Warm Welcome
to the
2007 BTBA NATIONAL CHAMPIONSHIPS**

I always welcome the opportunity to reach bowlers through the pages of the Nationals brochure and, on behalf of Bowling International, together with Brunswick Bowling and Billiards, wish them a very good weekend with, first class bowling.

This promises to be a busy year on the international scene and we look forward to the triumphant return of Team England from the various events, knowing they will have bowled their very best against stiff competition.

Bowling International and Brunswick are pleased to do all in their power to strengthen the ties between Team England, the Governing Body and all of its members.

Have a great tournament and a brilliant year.

A message of welcome from

Pat White

Chairman

British Tenpin Bowling Association

It is a great pleasure to extend a warm, and very sincere welcome, to all participants and their supporters to the 2007 National Championships. I appreciate the opportunity to meet the bowlers who we are delighted to see year after year and, look forward to seeing those who are entering for the first time ever.

Bowling International continue to give their invaluable support with sponsorship of this brochure and it is difficult for us to adequately express our thanks, just as we can only hope that Brunswick realise how very grateful all concerned are for their continued support of Team England. The help of these companies is of paramount importance to our efforts to give a high profile to our sport and, we are truly indebted to them.

I know that the members of the National Council will wish to join me in thanking Hollywood for hosting this tournament and also hope that everyone will have a successful, enjoyable event.

GS-X Brunswick GS-X GS-X Brunswick GS-X

Best In Show Performance. The PBA and USBC depend on the unstoppable performance of GS-X. In fact, weekly performance at the 2006 USBC exceeded 10,000 frames per stop. The success of your center depends on your pinsetters. The "best in show" performance of GS-X means happier bowlers frame after frame, resulting in increased lineage, bowler retention, and revenue for your center.

Excellent Value. New GS-X pinsetters are more affordable than you may think. Let your Brunswick representative provide you with a quote – you'll be pleasantly surprised at what a great value GS-X pinsetters still are today.

Easy Financing. With up to 10 years to pay (for qualified buyers), Brunswick and CIT can help finance your purchase with a plan that's right for your center and budget.

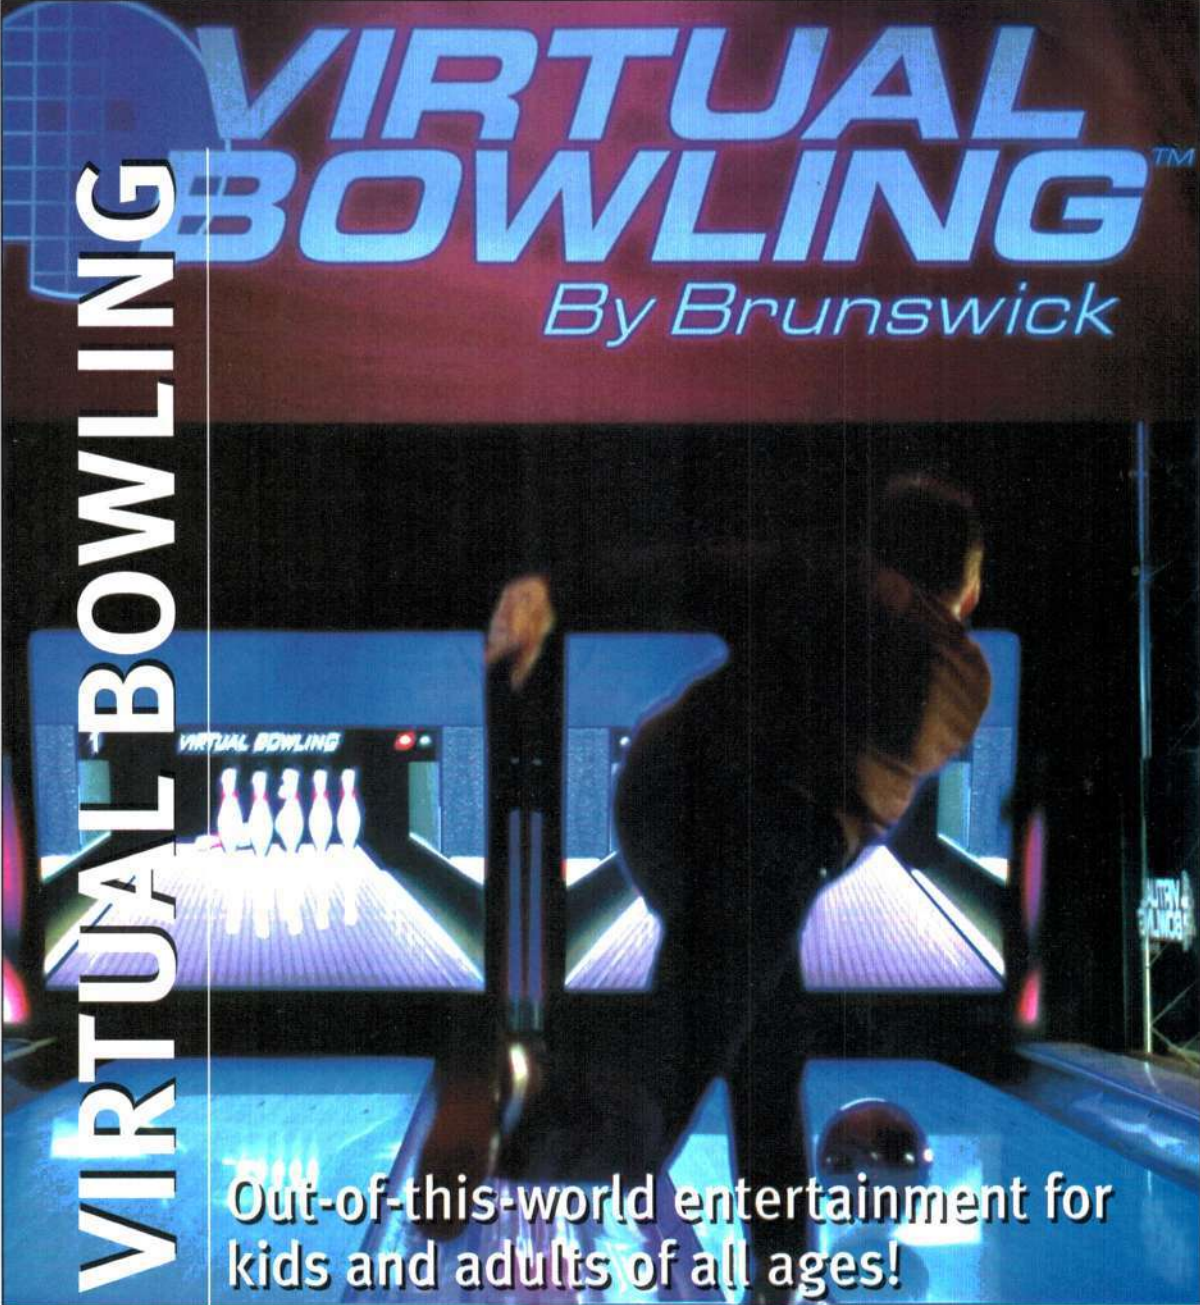

Reliable GS-X pinsetters keep the fun rolling at The Alley

"We've had GS-X pinsetters for almost three years. I'm running more than 6,000 frames per stop. In fact, they are getting better every day! GS-X is by far the most reliable pinsetter I have worked on during my 30 years of experience."
