# TWISTED TO THE CORE

Brunswick Pro Staff member Sean Rash used the Twisted Fury on his way to capturing his first major tournament win at the USBC Open Masters Championship. The Twisted Fury provides a new twist to the Fury line by introducing an asymmetric version of the Torsion core. Brunswick has put a new twist on core design so you can twist it up better on the lanes. For more information, contact your Brunswick representative, 1-800-YES-BOWL or 1-231-725-4966, or visit [www.brunswickbowling.com/balls](http://www.brunswickbowling.com/balls).

**Brunswick** 

The past few years have been very exciting for the British Bowling industry on the whole, what with increased television coverage with the Weber Cup and World Tenpin Masters. With the success of UK bowlers both on our shores and overseas it certainly feels that awareness of bowling is filtering through to the general public. We hope this awareness continues to develop at the pace we are currently witnessing and reach out to all of you to continue spreading the word and converting all those non bowlers out there. They don't know what they are missing out on!

Brunswick is delighted to continue the long term support of Team England and is extremely proud of the bowlers' performances over recent years and the past 12 months in particular. At the beginning of the year three bowlers from the UK travelled to the World Ranking Masters. With all continents represented, this tournament decides a bowler's status in the World field. With Stuart Williams emerging as the Men's Champion, Zara Glover Ladies Runner up and Paul Moor 3rd, they put on an extraordinary show of ability. With all three players finishing in the top four England is firmly on the map as one of the most dominant bowling countries in the world! Follow that up with commanding performances by Brunswick Team England at the Men's European Championships where Darren Cundy won Bronze in the All-Events, Mike Quarry Bronze in the Masters and together with Dom Barratt they achieved a Silver medal in the Trios event. The Ladies World Championships saw yet more extraordinary performances by Brunswick Team England, the ladies set a new one game world record of 1261 for the five man team event, including Kirsten Penny shooting a spectacular 300 game and the team coming away with a Bronze medal. Finish that off with Kirsten finishing the year as European number one and I would say it has been a remarkable 2007; we are most definitely a country to fear on the world stage.

Beyond England's elite bowlers Brunswick are honoured to sponsor the 47th BTBA National Championships and reach out to all members of our sport. We hope you enjoy your experiences during your time at Charrington Bowl building long lasting memories and friendships. We are delighted a prestigious event such as the National Championships can be hosted in a centre with so much history and thank Hollywood Bowl for yet again providing a top class venue.

All that leaves is for us to wish you the best of luck for the tournament and we hope to see you all next year!

A message of welcome from

*Pat White*

Chairman

British Tenpin Bowling Association

On behalf of the National Council, I would like to welcome all participants and their supporters to Tolworth for the 47th National Championships and also take the opportunity to thank the many people who do their utmost to ensure the success of this event. The endeavours of the A Team, Centre Staff and all concerned with the operation of the tournament, are sincerely and truly appreciated

While Brunswick are kind enough to continue with their valued support of the Brochure, there is a slight change this year as it is channelled through Bowling Vision who have already demonstrated a strong commitment to Tenpin Bowling and while offering them our gratitude for their co-operation, we also wish them every success.

As always, it is a pleasure to see familiar faces as well as meeting new ones at the Nationals and we wish you all the very best of luck.
