Welcome to the 2023 YBE Tour Calendar

1. We have tried to distribute the tournaments around the Country as much as possible, but we are constrained by centre availability and costs
2. There are 23 tournaments listed, but there is no requirement to do them all. We have also tried to minimise travel and overnight stays.
3. Unless documented on the tournament entry form there is no requirement for an overnight stay as part of the tournament.
4. Where there is a North and South tournament we would hope you would enter the tournament closest to you. Should these tournaments change their dates and you decide to enter both then YBE Tour Ranking Points will be allocated from the first tournament entered
5. The YBE Tour Ranking Points model for both Bowlers and YBCs will be available on the YBE section of the BTBA Website`
6. Information about Youth Team England will be available on the Team England section of the BTBA Website
