KEY: YBCP = Ranking Points for YBCs

BP = Ranking Points for Bowlers

1. We have tried to distribute the tournaments around the Country as much as possible, but we are constrained by centre availability and costs
2. There are 27 tournaments listed, but there is no requirement to do them all. We have also tried to minimise travel and overnight stays.
3. Unless documented on the tournament entry form there is no requirement for an overnight stay as part of the tournament.
4. Where there is a (North) and (South) tournament we would hope you would enter the tournament closest to you.
5. The YBE Tour Ranking Points model for both Bowlers and YBCs will be available on the YBE section of the BTBA Website`
6. **Information about Youth Team England will be available on the Team England section of the BTBA Website**
7. **There are still some tournaments/formats to be decided. The calendar will be updated as soon as possible.**
