General Playing Rules

This tournament is sanctioned by the BTBA, therefore the General Playing Rules and Tournament Rules of the BTBA, together with the following Special Rules, will govern this tournament.

- 1. Eligibility:** The tournament is open to all BTBA members (with a Competitive Membership) or affiliated association members who are aged 50 on or before 31 December 2025. Bowlers aged 65 or over as of 31 December 2025 are eligible to bowl in the Super Seniors Division.
- 2. Averages:** Players entering average will be based on the highest league or tournament average at the time of entry. Both Free Fall and String averages will be accepted without differentiation
 - Current season's average for 18 games or more at the time of entry being the highest in any league which the player bowls, or composite tournament average of 12 games or more, whichever is higher, but may not be more than 5 pins lower than the previous season's average.
 - If the player does not have a current season's average, last available season's average for 18 games or more will be acceptable but may not be more than 5 pins lower than the bowlers highest previous average for any number of games. Nor may it be more than 5 pins lower than the players tournament average.
 - If the player is unable to declare an average, then they will be accepted in the highest division.
 - If the player's entering average is based on a league or tournaments that have been solely bowled on Challenge or Sport Bowling conditions, the average will need to be adjusted to a standard average. The team captain must state in the Source of Average field on the entry form if the average for any player entering Division B is from Challenge or Sport Bowling league/tournaments.

- The Tournament Manager may accept, reject or re-rate any entrant, if in their opinion, the highest average submitted does not conform to past performance of the team or individual. Winners' averages will be verified after the event.
 - The team captain is responsible for the accuracy of all averages of the individual team members, and they in turn are responsible to him. Should the Tournament Manager find it at any time that the averages have been falsified or do not conform to past performance, the team shall forfeit all claims for prize money as well as their entry fee and will be subject to disqualification and suspension from the BTBA.
3. **Bowling Equipment:** Altering the surface of bowling balls is only permissible outside the playing area and only during practice or between squads.
- It is the responsibility of all players to ensure that their bowling balls conform to specifications. Spot checks may be made during this event.
 - All bowlers are reminded that balance holes are no longer allowed.
 - Any bowler who doesn't use their thumb during a delivery cannot have a thumb hole.
 - The use of any foreign substance on bowling shoes or approaches is strictly prohibited.
 - **Once competition has started**, bowling ball surface alterations, including the use of **abrasives, polishes, or cleaners**, are **not permitted**.
 - **Cleaners approved for use in competitive play** may only be used **during the practice period and only applied by hand and a soft cloth**. See **Rule 17** of the BTBA General Playing Rules.
 - **Bowling balls must be thoroughly wiped with a dry cloth immediately after cleaning or altering the surface.**
 - **Breaks for lane dressing:** Surface alterations are **only permitted** before the bowler's **first squad of the day** or if a **break for lane dressing** occurs **before a new event starts**. No such break occurs during a **Doubles and Singles squad**, so no surface alterations are allowed during this transition.
 - Any ball found in violation must be **removed from competition** in accordance with **BTBA Rule 17**.

5. **Ties:** In the event of a tie for any position, the highest last game shall be used to determine who receives the highest position. In any situation where this does not resolve the tie, the penultimate game shall be used and so on. In the event of a tie for an all-events position, the team games shall be used first, followed by the doubles, and finally, if necessary, the singles games.
6. **Protests:** In the event of a dispute, the Tournament Manager must be notified immediately, and a provisional ball bowled if necessary. Protests must be made within 30 minutes and confirmed in writing to the Tournament Manager within 72 hours. The Tournament Manager's decision will be final, subject to appeal to the BTBA.
7. **Conduct:** Players are prohibited from smoking (including E-cigarettes) and the consumption of alcohol whilst their squad is in progress.
